

The Spa at Tideline Provides a Relaxing and Idyllic Setting for the Ultimate Spa Experience in Palm Beach

Palm Beach, FL- (May 13, 2024) [The Tideline Palm Beach Ocean Resort and Spa](#) recently reopened its doors with a dramatic new design and a \$20 million refurbishment that has touched all areas of this sought-after destination resort, including the well-loved Spa at Tideline.

The Spa at Tideline is a two-time winner of Condé Nast Traveler's Readers' Choice Awards as one of the best spas in the United States. The Spa is a ritual experience...starting upon entering the grand doors to the Spa. The staff greets you with a smile and immediately ushers you into the calming, Asian-inspired Relaxation sitting room. Here guests are offered a variety of herbal teas while enjoying the soft tones and cocoon-like feeling of the room, as they prepare for their spa treatment.

The seven treatment rooms are each an oasis of tranquility. Two are Duo, or couples' rooms for massages, facials and body treatments. There is also a two-chair beauty salon and an oversized private room for an extensive array of manicure and pedicure treatments.

Adjacent to the Spa is a spacious and well-appointed Gym, which also includes a men's and women's locker room, both featuring a Dry Sauna and showers, along with ample locker space. The Spa at Tideline is open to hotel guests as well as local clientele. As an added benefit, spa guests booking a 50 or 80-minute service are offered a Spa Day pass. This provides guests with access to the pool, beach and restaurant during spa hours of operation.

The Spa is under the caring and watchful eye of veteran Spa Director Jennifer Ortiz. Ms. Ortiz provides the utmost attention to all her guests. “We carefully curate each service to be the best it can be, whether it be a Signature Massage combining Swedish and deep tissue modalities with essential oil therapy to our Time Reversal facial, which leaves the skin with an overall glow,” stated Ortiz. The Spa also offers a diverse range of body treatments, from the Ocean Glow full body exfoliation to the ultimate Lemon Blossom Wrap, designed to hydrate the skin and recharge the senses. The Spa is currently featuring the Oasis Spa Special, for \$285, plus service charge featuring a Drift Away Massage and Gentle Glow facial.
